... Please turn over

Reason(s) for Excision:

Four excisions are required to remove depictions of women being subjected to sexual conduct of a degrading, dehumanising and demeaning nature, and to reduce the extent and degree to which women are presented in a degrading, dehumanising and demeaning manner by the video recording. The excisions are to remove most of the ejaculation sequences from four of the five scenes in the feature, and other degrading dehumanising and demeaning sexual conduct such as men pulling women's hair and pushing their head around to perform fellatio. The video recording implicitly treats the women participants as objects for men's sexual use and gratification.
